The season has now ended but I thought we would round up the year with a final newsletter!

Obviously the highlight in the past month was Red Cadeaux putting another phenomenal performance together to finish second in The Melbourne Cup and you will see plenty of photographs in this edition!

Also some of the yearlings have arrived and it is all systems go now for next season.

## End of Season Winners

*Illogical*

### Illogical Wins For Mr and Mrs Bill Gredley!

**Illogical** went one better at Wolverhampton when virtually making all to score impressively in the six furlong maiden. Rob Havlin rode this Paco Boy filly with huge confidence and she showed all her resilience and toughness to lead the whole way and score by 3/4 of a length from the Godolphin favourite, Magical Effect. She really deserved this win having been beaten in the final strides at Haydock on her previous start.

*"We were delighted to train our first winner for Mr and Mrs Gredley and let's hope it is the first of many."*

### Palace Princess scores at Bath

**Palace Princess** managed to get her head in front at Bath in the fillies' handicap over a mile. She was given a great ride by Joe Fanning who settled her just behind the leaders and although she was a little short of room two furlongs out she was switched left and powered home.

We were thrilled to be able to produce a winner for the Palace House Turf Club as they have had to be patient with this filly! She has now been sold at The Horses in Training Sales and we hope she can build on this success and wish her the best of luck for the future.

*"This filly has always showed plenty of promise at home and so we were delighted that she finally got her head in front."*

*Palace Princess*

*Prince Gagarin*

## Prince Gagarin wins a Listed Race

**Prince Gagarin** delivered an eye catching performance to land the feature race at Pontefract, the Listed Totepool EBF Stallions Silver Tankard Stakes. This good-looking son of Dubawi travelled well throughout the race, stalking the leading pack under jockey Adam Kirby. Always looking the winner, he took the lead from a furlong out and stayed on well in rain softened ground to win impressively by 2 ¼ lengths. He has now been put away for the year and has given his owner-breeder Mrs Patino something to dream about over the winter.

*"We have always thought a lot of this colt and it was great to see him win at Pattern level as a two-year old. We can now make some exciting entries and dream about more success as a three year old."*

## Bantam nearly does it...

**Bantam**, although she did not quite get her head in front this year she gave an improved performance when finishing second at Newmarket in the EBF Stallions Mobile Pimm's Bars Fillies' Handicap.

We have really enjoyed training her for the past three years and hope that she adapts well to her new life at Henry Daly's National Hunt yard in Shropshire. I'm sure Mrs D will be driving up there with her skull cap in the near future!

*"I wish Bantam and The Brooke Kelly Partnership who own her the best of luck for the future. We will be following her races and hope she takes well to the jumping!"*

# Red Cadeaux; Always The Bridesmaid!

*Red Cadeaux in Australia just before the race*

The big day arrived and Red Cadeaux ran a cracking race, travelling beautifully and he kicked in to the lead three furlongs out and this was accompanied by a huge roar from the crowd! Sadly, however Perfectionist made up plenty of ground from the back of the field and took charge in the final furlong!

“He is the greatest bridesmaid ever,” Ed said. “We are always susceptible to these younger, up and coming horses. Full credit to a beautifully trained winner, a horse that looked magnificent.”

“If he is still up to it, and he will tell us, I would like to come again, because it is the greatest race in the world.”

Mr Arculli’s jet setter, Red Cadeaux will now head to Hong Kong.

We would like to thank Robin and Steve for all their commitment and hard work looking after Red in Australia!

**Red Cadeaux** made history in the Emirates Melbourne Cup 2014 by finishing second for the third time in four years. He is the first international horse to ever appear in the Cup in four successive years and is now the highest earning British bred and trained racehorse ever!

The build up to the Cup in Australia was fabulous, everyone really got into the spirit of it! The Australian public have really taken Red Cadeaux into their hearts and the amount of fans he has over there is amazing.

Ed and Rebecca flew over to Australia a week before the race, going straight from the airport to the ‘Breakfast With The Stars’ where they were even greeted by an Aborigine dance display. (See Photo).

They were keen to head to Werribee to oversee Red Cadeaux on the track and check his well being. Robin and Steve had been very pleased with his preparation and were adamant he was in great form.

## Red Cadeaux honoured at Werribee

Red Cadeaux has been honoured at Werribee by having his quarantine barn named after him. He will always be remembered by the Australian public having been the first international runner to take part in the race an amazing four times!

# Yearling Focus 2014

Some of the new yearlings have now arrived at La Grange, they have been broken in gently and are now doing steady canters up the town canter and have just started occasionally going up Warren Hill. On the whole they seem a well behaved bunch and touch wood there have not been too many dramas!

We are also walking them through the starting stalls that we have at La Grange every day so that they are very used to this procedure and hopefully this will be the start of their training for their first appearance on the racecourse.

## Eight To Follow Winner Is...

Its that time of year again when the 'Eight to Follow' competition has come to a close.

Huge congratulations goes to Mr Martin Mitchell who grabbed first place and wins a bottle of Champagne after scoring 150 points!

A very close second place with 140 points went to Sir Anthony Pagewood and third place went to Mrs Jane Stewart Brown who scored a very respectable 135 points.

This highest scoring horse throughout the year was Red Runaway with 65 points, which included three wins and the second highest scoring horses on 55 points included Prince Gagarin, Fieldsman and Loch Ma Naire.

## Burwaaz Heads To Stud for 2015

**Burwaaz** is a real favourite of team at La Grange, a lot of you will remember him as a very consistent two year old.

Finishing his racing career earlier this year, he has joined Hedgeholme Stud in County Durham where he will stand for his first season at stud.

On his first ever racecourse appearance he was beaten by a nose but went on to win on his second outing. At Royal Ascot in 2011 he finished a respectable fourth in the Norfolk Stakes, even though he was first on the stand's side. He competed in the major sprinting races as a two year old, finishing second in the Molecomb (G3) and the Flying Childer Stakes (G2) and he was third in the Gimcrack (G2).

Sadly his three year old career was marred by a pelvis injury but he came back to near his best to finish third in the Stewards Cup.

We can not wait to seeing lots of baby Buwaaz's on the track!

He possessed speed and a good turn of foot, was sound and genuine, everything you look for in a stallion!
